INDEX TO VOLUME 74

THE following index to the 1961 pages of *JAF* serves as a continuation of *An Analytical Index to the "Journal of American Folklore," Vols. 1-67, 68, 69, 70,* Bibliographical Series of the American Folklore Society, Vol. VIII (Philadelphia, 1958) and of the *Indices to Volumes 71-73 (1958-1960)* published in the respective October-December issues. The classification system used is explained in detail in the introductory essay to *An Analytical Index*. Here it will suffice to remind the reader that the symbol *(R)* refers to a book review; the symbol *S* refers to the yearly *Supplement;* and brackets around the title of a recording reviewed indicates the exact title of the record was not given. Again motifs classified by Stith Thompson in his *Motif-Index of Folk Literature* are indexed when labelled in *JAF*. Otherwise, the special system used in Part 8 of *An Analytical Index* is followed.

Additions and Corrections to *An Analytical Index* appeared on pp. 65-66 of the 1959 *Supplement.*
